

SevaMitra Knowledge Corpus — Education, Scholarships & Learning

Scope

National Scholarship Portal; central scholarships; State scholarships; pre/post-matric; merit/category/disability scholarships; AICTE/UGC; fellowships; school/college services; education certificates; entrance-exam ecosystem.

Policy/Answer rule

Scholarship matching should use State/UT, course/class, category when relevant, income band, marks/merit, disability/special status and scheme-specific conditions.

Policy/Answer rule

Never output a generic 'scholarship portal' answer when the user asks for applicable scholarships; retrieve scheme-level criteria and explain why each may match.

Source strategy: Treat India.gov and the responsible Ministry/Department/State/UT portal as discovery and authority sources. The knowledge base should be refreshed when official rules change.
